

National Math Festival: April 18, 2015

Instructions:

- 1) Cut along **SOLID** lines - be sure to keep these instructions!
- 2) Make one **LOOP** with ends **A & B**
- 3) **TWIST** side **B** to the **RIGHT** to make Mobius Strip. **TAPE** ends together.
- 4) Make **LOOP** with ends **C & D** in other direction.
- 5) **TWIST** side **D** to the **LEFT** to make Mobius Strip. **TAPE** ends together.
- 6) **Cut BOTH loops** along the dotted lines all the way through.
- 7) ENJOY!
